

SMART WAYS TO SAVE

Lock your tuition through spring '28

[Just start your application](#)

We've got BIG news for your grad degree: **Starting fall 2026, newly admitted students can lock in the current tuition rate of \$1,390 per credit through their spring 2028 bill.** This shields you from future tuition increases (typically 2% to 5% annually), saves you money and gets you closer to the degree – and future – you want.

How do you take advantage? Just [start your application](#) and secure your spot in our fall 2026 class. That's it. You can take as many or as few courses as you'd like (up to 6 credits per term), all while maintaining the predictable, locked tuition rate. There's no better time to take the next step.

If you have any questions, do not hesitate to reach out. We are here to help.

We hope to see you this fall!
